## REVIEW REPORT

To the Unitholders  
IIAB Islamic MENA Fund  
Manama, Kingdom of Bahrain

### **Introduction**

We have reviewed the accompanying condensed interim statement of financial position of IIAB Islamic MENA Fund, (the "Fund") as at March 31, 2023 and the related statements of comprehensive income, changes in net assets and cash flows for the period then ended. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with the basis of preparation stated in note 2 to the condensed interim financial information. Our responsibility is to express a conclusion on this interim financial information based on our review.

### **Scope of Review**

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial information is not prepared, in all material respects, in accordance with the basis of preparation stated in note 2 to the interim financial information.
